03/07/2024	NICE Ltd. (Israel)	Annual	Against	4 B1,B2,B3 A	A vote AGAINST this resolution is warranted because:- The company failed to disclose sufficient information regarding the value of the CEO's proposed compensation, preventing shareholders to assess the level of the payout opportunity;- The proposed vesting period is shorter in duration than the recommended guidelines and the possibility to accelerate the vesting within a short period is not in line with the pay-for-performance principle and Israeli market practice;- Despite the CEO's impending departure within the following year and the short vesting period of the equity awards, the terms provide only limited guidance on the performance criteria used to determine the PSUs, thus leaving excessive room for board discretion and preventing shareholder to assess the rigor of the plan. If such an item is included in the proxy card, shareholders must classify themselves according to the following categories: Interest Holder as defined in Section 1 of the Securities Law, 1968; Senior Officer as defined in Section 37(D) of the Securities Law, 1968; Institutional Investor as defined in Regulation 1 of the Supervision Financial Services Regulations 2009 or a Manager of a Joint Investment Trust Fund as defined in the Joint Investment Trust Law, 1994; Shareholders can classify themselves by voting FOR or AGAINST on any of these items. Shareholders must indicate whether they are controlling shareholders or have a personal interest related to these agenda items, or else their ballots will not be counted.

12/07/2024	LPP SA	Annual	Against	9 13 11,4,11,7	A vote AGAINST is warranted because: - The remuneration report fails to disclose sufficient information about the LTIP; - Terms of the exit payments of former executive, Jacek Kujawa, are not disclosed; - The total CEO pay and CEO pay ratio are not disclosed. A vote AGAINST is warranted due to the lack of disclosure of the nominees' names. Votes AGAINST these items are warranted because Piotr Piechocki and Jagoda Piechocka are designated shareholder representatives of Semper Simul Foundation, the beneficiary of the company's unequal voting structure.
18/07/2024	Powszechny Zakład Ubezpieczeń SA	Annual	Against	7 8 1,1,2,1,3,1,4,1,5,1,6,1,7,1,8 6,1,6,2	A vote AGAINST this item is warranted because the composition of the supervisory board after the upcoming AGM is unknown. A vote AGAINST this item is warranted because: - Significant fixed pay increases (approx. 12 percent) have not been explained;- The company provided a general list of the performance metrics, without their respective weights, targets, maximum award levels as well as achievement levels per executive. More detailed information on KPIs, applied targets with weights, minimum and maximum thresholds is valuable in order to help investors comprehend the reward for performance and would furthermore be in line with the European Commission draft guidelines on standardized presentation of the remuneration report and general investor sentiment on minimum disclosure expectations;- The supervisory board is vested with discretionary powers to set performance conditions of the STI, evaluate their levels of achievement, and allocate variable remuneration to the company's executives. Votes AGAINST items 1.1 - 1.8 are warranted because shareholders are better served by postponing the decision on discharge of the management board members for the fiscal year 2023. Votes AGAINST these items are warranted because the name of the director to be recalled and the name of the candidate to be elected have not been disclosed by the company.
