

Head of Investment Operations

Up to £85,000 plus benefits

Based in the Midlands

About the role

We have an exciting opportunity become available within the finance and operations senior management team as the Head of Investment Operations. The position will hold the responsibility to ensure the effective and efficient workings of all aspects of investment operations support. This senior position will lead, manage and direct the investment operations team in the delivery of excellent service to internal and external stakeholders and clients. The role includes execution of operational services as well as oversight of outsourced activities and suppliers and covers all middle office and back office activities for LGPS Central Limited.

This key role will continue to have significant influence in shaping the nature of the operational infrastructure of LGPS Central and make a substantial contribution to ensuring that the financial objectives of the Company are met.

First class interpersonal, people management and communication skills are essential for this position. The successful candidate will have held a senior role in asset management operations and have sound knowledge of current investment operations processes.

About the company

LGPS Central Limited is a fund management company, regulated by the Financial Conduct Authority (FCA), managing the pooled assets of nine Midlands-based local government pension funds.

With combined assets of approximately £40bn, and representing the retirement savings of over 900,000 scheme members across over 2000 employers, LGPS Central Limited's Partner Funds are;

Cheshire Pension Fund, Derbyshire Pension Fund, Leicestershire Pension Fund, Nottinghamshire Pension Fund, Shropshire Pension Fund, Staffordshire Pension

Fund, West Midlands Pension Fund, West Midlands Integrated Transport Authority Pension Fund, and Worcestershire Pension Fund.

LGPS Central Limited is owned equally by eight of the nine pension funds and is dedicated to the management of local government pension assets. The aim of the Company is to use the combined buying power of its Partner Funds to reduce costs, improve investment returns and widen the range of available asset classes for investment – all for the benefit of local government pensioners, employees and employers. We are also committed to fully integrating Responsible Investment and Engagement into all our investment processes.

We are a diverse and inclusive employer and would welcome interest from all sections of the community.
